Payment Conditions in Terms of Conditions of Enrolment

1 Method of Payment (one of the following)

- ◆ Cheques may be paid to the administration office of the school or into our bank account;
- ◆ Cash payments **only** into the bank account specified on the School Fees form, with proof of payment sent to fax no. 021 480 3863 or by mail to fees@dsk.co.za;
- ◆ electronic funds transfer (EFT) – proof of payment as above;
- ◆ debit order;
- ◆ credit card;
- ◆ Should any cheque or debit order be dishonoured, the full amount thereof is payable to the DSK immediately. All resulting charges are to be borne by the parent concerned.
- ◆ Any cash deposit fee charged by the bank will be debited to the school fee account.

2 Period of Payment and Payment Obligations

- ◆ School fees, as well as all other charges made, are due in full each quarter and are payable in full after despatch of the invoice.
- ◆ Monthly payments will be permitted only on application and then only by debit order, with the annual amount required to be paid in full by the end of October in each year.

3 Discount

- ◆ A discount of 5% on school fees will be granted if payment of the annual school fee is made in full **prior to the end of January** of the current year. This discount does not, however, apply to fee increases, which may be implemented during the year.

4 Arrear Fees

- ◆ Fees are in arrear if an invoice has not been settled within 30 days of the invoice date or if the school fees for the current year have not been paid in full by the first business day in November.
- ◆ Parents will be reminded of arrear fees only once and when the notice period specified in the reminder has expired, the matter will immediately be handed to the DSK attorneys with instructions to issue summons without delay. All costs incurred in any legal process are recoverable from defaulting parents. In the case of non-adherence to the payment conditions the school reserves the right to withdraw a learner's entitlement to participate in classes.

5 Rebates and Deferment of Payments

- ◆ Rebates and deferments of payments may be granted on application in special cases. Rebates are valid for a maximum of 4 quarters and must be re-applied for each year, in advance, if required. No reminders will be sent to existing rebate holders before the current rebate expiry date. Applications from applicants with fees in arrear will only be considered when such arrear fees have been paid in full. Rebates are not granted retrospectively. Any decision made by the Finance Committee after consideration of an application is final. An applicant will be informed in writing of the outcome of the application.

6 Notice of Termination of Enrolment at DSK

- ◆ Notice to withdraw a learner from the DSK can only be given to take effect at the end of a school term and must be given at least one month before the end of that term.
- ◆ Should parents fail to give such timeous notice, school fees are payable in full for the following term.
